## Pyrford Cricket Club Treasurers report for the season 2017 to 30 ${ }^{\text {th }}$ September 2017

The club finances have continued to strengthen with current cash balances standing at $£ 14 \mathrm{k}$ even after some significant investments in the year as well as some large repair costs to the clubhouse.

Net surplus for the year was $£ 1,680(2016-£ 1,400)$. The main category of cost increase was in repairs to the Pavilion where the main items were $£ 4,318$ incurred on a new kitchen, $£ 1,392$ spent on painting and decorating the clubhouse and $£ 1,680$ on remedial electrical work.

Most other costs were in line with last year, with the exception of cleaning where a regular clean has been instigated each week.

It should be noted that depreciation has been provided for the club assets for the first time this year based on the estimated 5 year useful economic life for most of the assets (10 years for the Astro pitch and New Nets).

The policy of maximising the use of the ground throughout the year is contributing significant income from football, boot camps and other rental activity and has exceeded the start of year expectations of $£ 6 \mathrm{k}$. The club also benefitted from a grant of $£ 3,500$ from the England and Wales Cricket Board, $£ 570$ from the Parish of Wisley and $£ 200$ form the Pyrford Flower Show.
